The Denominations Comparison pamphlet is an excellent source for pastors and teachers who want to present denominational beliefs in a concise and focused manner. The pamphlet organizes the denominations comparisons in the order in which they came to be, first covering the six liturgical denominations followed by the six non-liturgical denominations.

It should be understood that this is a pamphlet and not a detailed guide to all, or even many, of the Christian denominations. Use it for a quick reference but refer to The Complete Guide to Christian Denominations by Ron Rhodes or the Handbook of Denominations in the United States 13th Edition: 13th Edition by Craig D.
